Nothing that you do for a Child is Wasted

One of the greatest things that Golden Key does is invest in the lives of children. We are very proud of the support we lend to several organizations here in Memphis and abroad.

Just because the semester has ended does not mean the oppor-

tunity to participate in service projects terminates with it. We will still provide lots of chances to spend time with wonderful children. Plan on some fantastic field trips to the zoo, the children's museum and other child friendly places around town.

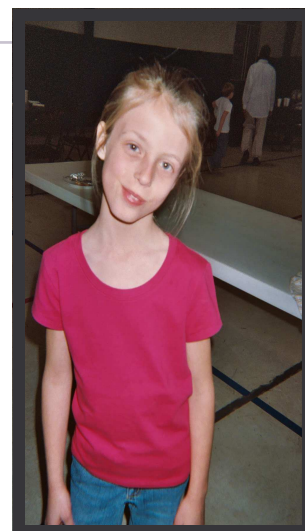

Come join us as we partner with the Tennessee Baptist Children's Home, or you can participate with The International Refugee Tutoring program. Since School is over, we will be doing the fun stuff with them.

For more information about our summer service projects, please contact

our Social and Academic Services Director Amber Floyd. Her email address is
